_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____

Please attach the following materials to your application:

1. Official college transcripts from the institution you graduated from and any other you received teaching credentials from. Letters of recommendation from another faculty member and the principal at your school. If you completed college very recently, one letter can be from a faculty member at your college.
2. A two to three-page (double-spaced) personal statement indicating your intellectual goals in applying for the English Speaking Union Scholarship with a description of the specific course of study you would like to pursue through the International Summer School Programs in the United Kingdom (consult web links at www.esuky.org [Kentucky] and www.english-speakingunion.org [National]) and your area-specific qualifications to undertake the program of study you select. Your statement should give evidence of your writing abilities, motivation, and your adaptability to new circumstances. Those of you who attend universities will be required to write papers which will be graded. Your statement should reflect your ability and willingness to write such papers. How do your objectives for studying abroad compare to the English Speaking Union's mission and objectives? (The ESU is committed to promoting scholarship and the advancement of knowledge through the effective use of English in an expanding global community.) How will you apply the personal experience of British culture in the 6 - 10 year period following your return home?

These applications must be received by **January 4, 2010** to:
